Feature Destination:

This month's feature destination is Aruba, which is located in the Southern Caribbean. Aruba is a popular tourist destination that offers beach access, casinos, shopping, golfing, and a variety of other activities for people with disabilities. We are excited to learn about [Adapted Happy Wheels](#), a company that rents wheelchair beach chairs. These chairs traverse over sand easily and float in a pool or ocean. To read more, visit the [Aruba destination page](#) at the AbilityTrip website!

AbilityTip of the month:

AbilityTrip member, Carolee had a fantastic travel tip she would like to share with our community... "Always carry a surge protector for all your electrical equipment. No matter how accessible a room is, it never has enough outlets."

This is true... most people with disabilities need to carry additional equipment that requires additional charging overnight! Thank you Carolee for sharing!
